## Experience a Taste of the Emerald Isle

You'll feel like you have journeyed through the land of green grass and azure skies during St. Patrick's Weekend at the Gaylord Opryland Resort. On Friday evening, enjoy your favorite pint of Guinness and a traditional hearty Irish meal at Findley's Irish Pub. Sing along to a live performance by **Knot Fibb'n**, a Columbus, Ohio-based high-energy, Irish-American ensemble, featuring innovative, modern arrangements of timeless traditional Celtic dance tunes, airs, and songs. And dancing's okay, too, should the inclination arise!

Saturday's festivities will include a traditional Irish Breakfast, Scavenger Hunt, Irish Whiskey Tasting, and Brainstormer Pub Quiz. For the sports enthusiasts, access to the Setanta Pub Channel will make Gaylord Opryland Resort the Irish and European sports headquarters for exclusive coverage of the Champions League and Scottish Premier League. And lastly, something's awry and its up to our guests to figure out precisely who's responsible. During a three-course dinner, you'll play an important role in an Irish-themed murder mystery play followed by a special Irish Dance Celebration.

Don't miss this opportunity to be immersed in authentic food and entertainment from the Emerald Isle!
