Dear Tim,

It was great meeting you and your colleagues and seeing your performance at Middfest. It certainly was "Celtic with a kick," and I am also happy I had the opportunity to introduce your group at the Music Center and listen to your tuneful renditions and innovative explanation of your various instruments.

Virginia Ritan, the Executive Director of Middfest, joins me in thanking you and wishing you a bright and busy future bringing the lilting tunes of Ireland to many in the U.S.A.

Sincerely,
